MUSIC HAS THE POWER TO CREATE AND EVOKE THE MOST BEAUTIFUL OF OUR MEMORIES. WHAT IF THE PERFORMER IS IN THE MOMENT WITH YOU?

Allow Abi Alton, singer, songwriter & multi-instrumentalist to add a unique and memorable touch to your day.

Abi has been singing, writing and performing since the age of 14. Most widely known for her achievement as a finalist in the X Factor 2013, Abi subsequently supported Ellie Goulding and took part in a 34 date arena tour of the UK and Ireland. Releasing a 6 track EP of self penned songs in August 2015, Abi charted at the coveted Number 10 spot in the iTunes singer songwriter charts.

She is also classically trained in piano with the London College of Music, and also frequently accompanies herself on guitar. Citing weddings as one of her favourite events to play, Abi would be honoured to be part of your special day.
